

SHRED SHED

OUTDOOR FITNESS

As the centre piece of any outdoor fitness space, the Shred Shed is a durable accessory to your gym allowing your equipment to be safely and securely stored inside the facility.

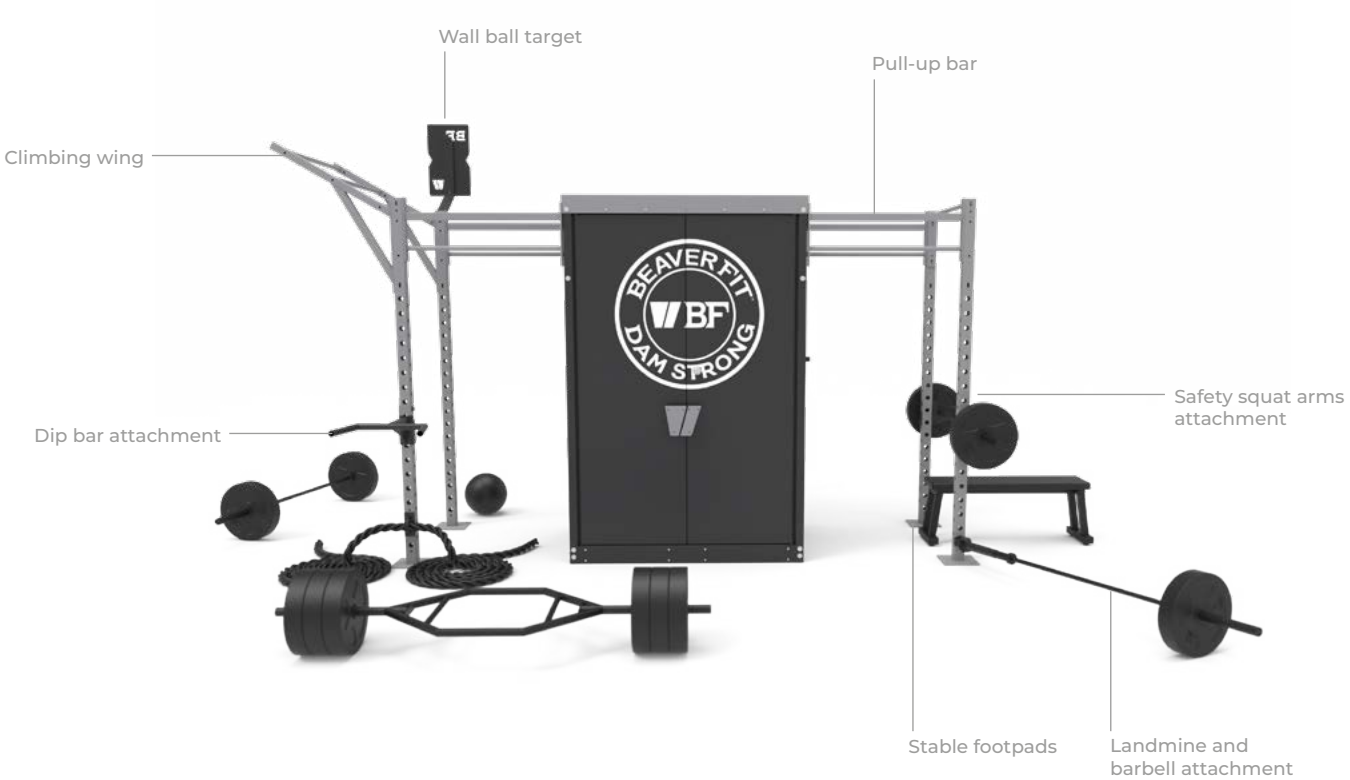

Designed with efficiency in mind, the Shred Shed saves space without compromising on functionality. Its modular design allows for easy scalability, adapting to your evolving performance requirements.

//// BENEFITS:

+ Multiple users
+ Quick and easy set up
+ Integrated and lockable storage
+ Superior weatherproofing
+ Ultra-stable design
+ Custom colours available

//// FEATURES:

+ Standard branding: BeaverFit logo on the back and customer logos on sides *(ask to see our branding guidelines)*
+ Freestanding full offload and installation included
+ Forklift pockets
+ 2 point locking system secured with padlock

THE POSSIBILITIES ARE ENDLESS.
